# Repository for Common Access to Data Elements (R-CADE)

Nelson Yang

August 13, 2020

Patent Public Advisory Committee quarterly meeting

UNITED STATES  
PATENT AND TRADEMARK OFFICE

# Background

- Industry feedback
  - Burden associated with populating and filing forms
- Engaging WIPO and other IPOs
  - Discussed developing a centralized data repository

# R-CADE objectives

- Applicant-driven sharing of information at different IPOs
- Increased reuse of common data elements
- Creation of efficiencies in the filing of applications at multiple IPOs

# Benefits

- Applicant-driven and managed – data in WIPO repository will be provided and managed by applicants
- Application-independent – data in WIPO repository is not necessarily associated with specific applications
