Trademark/Service Mark Application, Principal Register

Version 7.5

Watch the "[Before you file](#)" TMIN video for an overview of the most important issues to be aware of when filing a trademark application with the USPTO.

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Save Form button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. An email acknowledging receipt of the submission (a filing receipt) will be sent to the correspondence email address of record.

Once you submit this application, the USPTO will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

IMPORTANT: After this application is submitted, the USPTO will send a filing receipt to the email address of either (A) the appointed attorney, if any, otherwise (B) the trademark applicant owner/holder.

CONTACT:

For general trademark information or help navigating the forms, email TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199 (press 1).

If you need help resolving technical glitches, email TEAS@uspto.gov. Please include in your email your phone number, serial or registration number, and a screenshot of any error message you may have received.

STATUS CHECKS: The status of the filing is available in the [Trademark Status & Document Retrieval System \(TSDR\)](#) 7-10 days after filing.

TIMEOUT WARNING: You're required to log back in after 30 minutes of inactivity. This ensures the USPTO complies with [mandatory federal information security standards](#) and protects user information. After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

1. Please select one of the filing options below.

- TEAS Plus:** I am filing a TEAS Plus application, with a reduced fee of **\$250 per class** of goods/services. Failure to comply with [TEAS Plus Requirements](#) will incur an additional processing fee of \$100 per class of goods/services.
- TEAS Standard:** I am filing a TEAS Standard application, with a fee of **\$350 per class** of goods/services.

2. Is an [attorney](#) filing this application?

[Foreign-domiciled owners/holders](#) must have a U.S.-licensed attorney represent them before the USPTO in any application- or registration-related filing. [Information about hiring a U.S.-licensed attorney](#) can be found on the USPTO website.

Yes No

3. [OPTIONAL] To upload a previously saved form file, first review the USPTO's [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer.

WARNING: Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Important: Do NOT use the button below to upload an image file (for example, a specimen). You must use the button that will be presented for that purpose *within the proper section of the actual form*

Mark Information

Watch the [TMIN instructional video on the importance of conducting a search](#) of existing trademarks or service marks before filing your application. The USPTO will conduct its own [database search](#) and complex legal review. **Registration of your Mark is NOT guaranteed.**

Instructions:

(1) Enter your [Mark](#) below. Only **one Mark** can be entered. Entry of multiple Marks may result in denial of a filing date or refusal of registration

(2) Identify the type of Mark you are submitting by selecting the correct radio button:

- [Standard characters](#): No claim to a particular font style, size, and/or color;
- [Special form](#): Mark includes a design or word(s) combined with a design, or is displayed in a particular font style, size, and/or color; or
- Non-visual sound mark: Include a musical score, and an audio file, as well as a detailed Mark description.

(3) Follow the specific instructions that will appear after the Mark type radio button is selected. The form will automatically create a separate section for entry of your Mark or attachment of an audio file for a sound mark.

(4) Carefully review this page prior to final submission to ensure that it accurately depicts or represents your mark. You may not be permitted to [change or correct your mark](#) after filing this application. While minor changes in the mark may *sometimes* be permitted, changes that result in a [material alteration](#) of the mark as originally filed will result in the USPTO issuing a refusal on that ground.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application**: (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. You are not required to enter any other statement(s) at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure whether you should make such a statement, besides those specifically identified above, the examining attorney assigned to your application will issue a requirement, if appropriate.

Click on the "Browse/Choose File" button to select a [properly-sized JPG image file](#) (the only accepted format) from your local drive. This image should show the mark exactly as you would wish the mark to appear on your registration certificate, if the mark registers. If you are claiming color, you **must** submit a color image; otherwise, the image must be clear [black and white](#). After the file name appears in the window, click on the "Attach" button to upload the file into the application. A "thumbnail" version of the image will then display directly within the form.

NOTE: The image files for, respectively, the mark and the specimen (if filing under Section 1(a), use in commerce, and showing actual use in commerce of the mark at the time of this filing) should **NOT** be the same files (or, even if different files, should **not** display essentially the exact same thing). The mark image file should **ONLY** show the mark by itself, and **not** a representation of how the mark is used on the overall packaging for the goods or within an advertisement for services, for example. On the other hand, an image file that shows the complete package for the goods or a full advertisement for the services, with the mark clearly displayed thereon or within, would be an appropriate attachment for a specimen in the later "basis" section of the form (which only appears where a Section 1(a) filing basis is being claimed).

No file chosen

For any image that also includes a word(s), letter(s), punctuation, and/or number(s), enter the [LITERAL ELEMENT](#) only of the mark here:

NOTE: Do **NOT** enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include **all** elements of the mark; *i.e.*, if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black and/or white if actual "colors" within the mark (*e.g.*, enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

Check this box if you are **NOT** claiming color as a feature of the mark. **NOTE:** Check *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button a WARNING about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do **not** check this box, because the attached image was automatically accepted as black and white.

* Enter a complete and accurate [description](#) of the entire mark below, being sure to include **ALL literal elements** and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black and white, and also state the location thereof in the mark image.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form or a sound/motion mark (*i.e.*, for any mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, *e.g.*, "the letter C." Also, for any color mark, the description of the mark must include the nature and location of the color; *i.e.*, you must specifically state where each color is located within the mark, *e.g.*, "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.

The "Additional Statement" section of this form is used to enter various legal or informational statement(s) that may pertain to the mark; for example, a disclaimer or English translation. Because you are filing under **TEAS Plus**, you must enter the following, **if applicable within the facts of your application**: (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. Goods/Services Information

Instructions:

Step 1: Click on the "Add Goods/Services by Searching IDManual" button below to select goods/services from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual).

Step 2: After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. Your selection of goods/services from the IDManual must accurately identify your goods/services. For additional information, see [TMEP Chapter 1400](#). If you do not find a listing that accurately identifies your goods/services, you may email TMIDSUGGEST@uspto.gov to request that your identification be considered for addition to the IDManual. Visit the USPTO's website for [information on IDManual suggestions](#). If your request is approved, you must wait until the approved identification is added to the IDManual. If your request is not approved or you wish to file immediately, you must use the TEAS Standard form.
2. The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Instead, search for and select the specific clothing items you wish to include in your application.
3. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of an entry, and will NOT be included as part of the actual identification after the checked entry is inserted into the form.
4. If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact TEAS@uspto.gov.
TIMEOUT WARNING: You're required to log back in after 30 minutes of [inactivity](#). TIMEOUT WARNING: Because the session will time out after 30 minutes of inactivity, we recommend selecting and inserting no more than 20 entries at a time. Search for:

Instructions:

Step 1: Enter a word, number, or phrase to search for Goods/Services.

- Search requests can be for a single item (e.g., pants) or multiple items (e.g., pants or shirts or shorts). When multiple terms are entered into the search box, the resulting entries contain *all* of the searched terms in one or more of the sections of the entries (description, notes, or international class). For example, a search of **pants shirts shorts** will retrieve *only* entries that contain all three searched terms in a single record (e.g., Moisture absorbent microfiber textile fabrics for use in the manufacture of athletic apparel, namely, *shirts, pants, shorts*, jackets, bags, towels and athletic uniforms, in Class 24). To search for entries containing any of two or more searched terms, separate the terms with the word OR (e.g., **pants or shirts or shorts**). For example, a search of **pants or shirts or shorts** will return "Shirts," "Pants," "Shorts," "Golf *pants, shirts*, and skirts," and other entries containing at least one of the searched terms. While also possible to search for goods/services in different classes at the same time (e.g., **pants or baseballs**), separate searches are recommended. To search for a particular search term in a particular class, enter the search term and the class number in 3-digit format. For example, to search for entries containing the term baseball(s) in Class 28 only, search **baseball 028**. The form will compile an "overall goods/services list," regardless of the search approach.

NOTE: Most ID Manual entries are displayed in the plural. e.g., the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, e.g., "soup tureens" and "soup mixes."

- To search for an entry consisting of multiple words as a phrase, enclose the complete phrase within quotation marks (" "); e.g., enter "**computer programs**" to retrieve entries with "computer programs" appearing together in the order typed rather than **computer programs**.
- To browse the complete listing of entries in a single class, enter the International Class number in three digit format; e.g., to search for all items in International Class 3, enter **003**. For International Classes 1-9, the first two digits are **00** and the third digit is the desired class number (e.g., 001 for International Class 1). For International Classes 10-45, the first digit is zero and the second and third digits are the desired class number (e.g., 010 for International Class 10). For a complete list of items in several classes, the class numbers should be separated by the word OR. For example, to return all entries in International Classes 25 as well as 42, enter **025 or 042**.
- Entry notes, if any, appear in blue text directly below the description of the goods/services.
- For a listing of all International Class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (e.g., using truncation), click [here](#).

Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all ID Manual entries containing the requested term(s) will be displayed.

NOTE: Because the interfaces for TEAS and the *Trademark Acceptable Identification of Goods & Services Manual* differ, results for identical searches performed in each may vary slightly, even though both access the same data source.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

Section 1(a), Use in Commerce: The applicant is using the mark in commerce on or in connection with the identified goods/services. The applicant attaches, or will later submit, one specimen as a JPG/PDF image file showing the mark as used in commerce on or in connection with any item in the class of listed goods/services, regardless of whether the mark itself is in the standard character format or is a stylized or design mark. The specimen image file may be in color, and the image must be in color if color is being claimed as a feature of the mark.

NOTE: The specimen must show the mark as actually used in commerce. Examples of specimens for goods include tags, labels, instruction manuals, containers, and photographs that show the mark on the actual goods or packaging, or displays associated with the actual goods at their point of sale. Webpages may also be specimens for goods when they include a picture or textual description of the goods associated with the mark and the means to order the goods. Examples of specimens for services include advertising and marketing materials, brochures, photographs of business signage and billboards, and website printouts that show the mark used in the actual sale, rendering, or advertising of the services.

Watch the [TMIN Specimen video](#) explaining what is an appropriate trademark or service mark specimen for a good or service.

NOTE: For attachment, the JPG/PDF image file(s) or sound/motion file(s) showing the specimen(s) must be on your local drive. (*Reminder:* Within the earlier mark section, if you attached an image file for a stylized/design mark or a sound/motion file, you must ensure that it only shows the mark by itself, and does not display anything that would not truly be considered part of the actual mark, e.g., a scan of a complete business card would not be an acceptable mark image, although it may be an acceptable specimen).

Text Form for Handwritten Signature Scanning

This option uses a [Text Form](#) (available after clicking on the Validate button) that will be signed by the proper signatory(ies) in the traditional "pen-and-ink" manner. Or, if you already have a signed declaration for this application, you can attach it directly here, rather than relying on the USPTO's text form version. **NOTE:** If you are using the Text Form approach, you must after validation save the application data, and then pull up the saved form to attach the scanned file for final submission.

Click on the **Browse/Choose File** button to select file that contains the scanned declaration/signature from your local drive. The scanned file should *only* include the declaration language with the appropriate signature information (signature, signatory's name, signatory's position, and signature date). Do **not** include the entire application, but do ensure that the declaration language appears; *i.e.*, a signature by itself is *not* acceptable absent the required declaration language.

Important Notice:

(1) Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review. This is true regardless of how soon after submission you might attempt to request cancellation of the filing. Therefore, please review **ALL** information carefully prior to transmission.

(2) All information you submit to the USPTO at any point in the application and/or registration process will become public record, including your name, phone number, email address, and street address. By filing this application, you acknowledge and agree that **YOU HAVE NO RIGHT TO CONFIDENTIALITY** in the information disclosed. The public will be able to view this information in the USPTO's on-line databases and through internet search engines and other on-line databases. This information will remain public even if the application is later abandoned or any resulting registration is surrendered, cancelled, or expired. To maintain confidentiality of banking or credit card information, only enter payment information in the secure portion of the site after validating your form. For any information that may be subject to copyright protection, by submitting it to the USPTO, the filer is representing that he or she has the authority to grant, and is granting, the USPTO permission to make the information available in its on-line database and in copies of the application or registration record.

(3) Be aware that private companies not associated with the USPTO often use trademark application and registration information from the USPTO's databases to [mail or email trademark-related solicitations](#) (samples of non-USPTO solicitations included).

If you have read and understand the above notice, please check the box before you click on the Pay/Submit button. **REMINDER:** Because you are filing under TEAS Plus, please be sure you have entered the following, if applicable within the facts of your application: (1) claim of prior registration(s); (2) translation; (3) transliteration; (4) consent of individual identified in mark; and (5) concurrent use claim. Otherwise, you will lose TEAS Plus status and be required to pay an additional \$100 fee.

■ **STEP 5:** If you are ready to file electronically:

Click on the **Pay/Submit** button *below*, to access the site where you will select one of three possible payment methods. After successful entry of payment information, you can complete the submission to the USPTO. A valid transaction will result in a screen that says **SUCCESS!** Also, we will send an email acknowledgment within 24 hours.

WARNING: Click on the Pay/Submit button **ONLY** if you are now entirely prepared to complete the Pay/Submit process. After clicking the button, you can **NOT** return to the form, since you will have left the TEAS site entirely. Once in the separate payment site, you **must** complete the Pay/Submit process within **30 minutes**. If you are not prepared to complete the process now, you should select the "Save Form" option to save your form, and then complete the Pay/Submit process later.
